Divide Honors on All-Star Five
Ginger Reeves, Cadet Star, Named as Captain of First Quintet; Coaches and Officials of Tournament Consulted in Making Selections of Tippecanoe County Quintets.

(By R. C. Woodworth, Sports Editor, Journal and Courier.)

Selecting all-star quintets from the 15 teams that took part in the sixth annual Tippecanoe county high school basketball tournament started out as an easy task, but once the first team is picked difficulties are encountered in placing one man above the other on the basis of tourney play. While there was one outstanding candidate for nearly every position, following this star are found a host of other talented players that are well-bunched together as far as ability at the hardwood pastime is concerned and selection in some cases became somewhat of a lottery.
