And after this one of the most poor fire victims, Mrs. J. B. Smith, was taken to the hospital. She is now recovering from her injuries. The fire was caused by a gas stove which had been left on for a long time. The fire spread very rapidly and the firemen had to work hard to contain it. The fire caused a great deal of damage to the property and the firemen were very busy for several hours. The fire was caused by a gas stove which had been left on for a long time. They All Are.
(Merchant Traveller.)
— "My lad," said a good man to a sculler boy who was selling matches, "would you do with the money you make?"
— "Take it home, sir, and give it to my mother, sir," said the s. b. in a tender little voice.
— "Oh, that's new. Give me three boxes of your wares, my child."
— "Thank you, sir."
— "Now, my boy, you are always good."
— "Yes, sir."
— Indeed! Here, my lad, is a dollar."
— "Thank you, sir."
— "Do you say your prayers?"
— "You bet I do. This is a prayer from Perryville, I am," murmured the boy as he drew down the alley with the cash.
